

Financial Admission Agreement Form

This form is included with intake admission forms and must be completed by student and received by Abba House prior to student's admittance.

Program fees & Admittance

A non-refundable entrance fee of \$250.00 is due at the time of admittance. Tuition is based on a sliding scale starting at 1620, and going to zero based on financials submitted through the intake process. If admission is before the 15th, the first month of the agreed tuition price is due at admission with the 250.00 application fee. If admission is after the 15th, the remaining of the month will be pro-rated based on the agreed tuition amount, and the next month fees are due at admission, with the 250.00 application fee. The amount of tuition will be discussed when the financial questionnaires are received and processed. Showing up to admission without total payment will exclude the student from acceptance.

Children's fees

Fees for children living at the ministry are \$200.00 per month for the first child and \$100.00 per month for every child after. Student must agree to meet the financial requirements before being admitted to program. Failure to meet the financial requirements may result in dismissal from the program.

Refund Policy

If a student decides to leave the program voluntarily, Abba House is not responsible for refunding any tuition. If a student is asked to leave or circumstances arise beyond their control upon our discretion (jail, hospitalization, etc.), we will refund ½ of the tuition up until the 15th of the month. If the student leaves after the 15th of the month, tuition will not be refunded. Policy applies to both student and children's tuition.
